THE SECRETARY,
N.I. ASSEMBLY,
STORMONT.

2nd. OCTOBER 1998.

Dear Sir,

I have been instructed by the Ulster Federation of Credit Unions to write to you regarding a proposed Civic Forum.

The Ulster Federation is an umbrella organisation ~~which represents~~ 61 Credit Unions across the province, mainly in protestant working class areas. This organisation was formed in 1987 and assists with the administration, training and development of Credit Unions.

The Ulster Federation of Credit Unions is an autonomous body unconnected with the Irish League of Credit Unions whose Headquarters is in Dublin. The Board of Directors of the Ulster Federation feel that since the organisation is so heavily involved in the development of working class protestant areas that its members should be represented on any civic or community forum.

The purpose of this letter is to register our interest in becoming involved in such a body, I would be grateful therefore if you could keep our organisation informed of any plans to develop or set up such a body.

Yours faithfully,

GLADYS COPELAND (MRS),
CO-ORDINATOR,
U.F.C.U.
