Dear Assembly Member

TRANSITION PROGRAMME -

The Transition Programme has been up and running since the end of July with 16 seminars covering a wide range of subject areas, the Brussels Conference and two United States programme now behind us.

Looking to the future, we are, following consultation with Party Whips, developing further briefing sessions to cover areas such as the Northern Ireland Act, Business and the Assembly, and the Process of Legislation.

To help with the further development of the programme I should be grateful if you could take a few moments to complete the pro forma below.

Yours sincerely
