The operations of the new company would be monitored by the existing tourist boards, and by the relevant Northern Ireland and Irish Government Ministers meeting as appropriate under the auspices of the NSMC.

The Northern Ireland Tourist Board would continue to have access to the services of the British Tourist Authority. There would be clear guidance to the company that its promotional efforts should take account of the need to develop tourism in Northern Ireland against the background of the particular problems faced by the industry there over the past thirty years.

## TOURISM
