- Motion – General Amnesty for Offences for those 'on the run'

Proposed: That this Assembly considers that the Government's proposal for dealing with those "on the run" constitutes a general amnesty for offences committed prior to April 1998, goes well beyond both the letter and spirit of the Good Friday Agreement and is inconsistent with both justice and international practice. This Assembly believes that the minimum requirement consistent with the Agreement is that those wishing to avail of this measure should be required to acknowledge their guilt in court and be released on licence. This Assembly further believes that the Government should demand guarantees that those "exiled" by the paramilitaries can return to Northern Ireland in safety before proceeding with this measure.
