MEETING OF LIAISON GROUP - 29 MARCH 1994

Michael Ancram has noted Mr Daniell's note of 7 April to you with interest. The Minister has indicated that we should be very cautious about the concept of entrenching without consent - not ruling it out but holding it very much as a last resort. The Minister has also asked that he sees any paper produced (see paragraph 28 of Mr Daniell's note) before it is deployed in the Liaison Group.

Signed

KEITH JAGELMAN
