

## **SOME OF THE ISSUES TO BE RESOLVED**

- ◆ Agreed changes to relevant constitutional provisions in both jurisdictions.
- ◆ The format and scope of structures and arrangements to express relationships between the two parts of the island.
- ◆ The extent of matters to be designated as coming within the scope of North/South structures.
- ◆ The various levels of competence of North/South structures in regard to those designated matters (i.e. consultative, harmonizing, executive).
- ◆ The relationship between North/South structures and arrangements made to reflect and accommodate the totality of relationships between various peoples of these islands, including the continuing relationship between the two Governments.
- ◆ The relationship between North/South structures and the EU.
