LIAISON SUB-COMMITTEE ON CONFIDENCE BUILDING MEASURES

1. AGENDA ITEMS

Such items should be determined as per method indicated in the Procedural Motion (24th September 1997).

2. CONFIDENCE BUILDING

The Southern Government should, by word and deed, conform with the accepted principles of international law and practice regarding the territorial integrity of States. This is in line with the Prime Minister's Belfast Speech in May 1997.

In line with Nolan's review of procedures for public sector appointments, procedures should be demonstrably open and equitable.

There is the requirement for immediate progress regarding actual disarmament by all paramilitary organisations and transparent verification of this process by the International Decommissioning Commission.
