

NORTHERN IRELAND WOMEN'S COALITION

PROPOSAL FOR AGENDA OF OPENING PLENARY

The Northern Ireland Women's Coalition agrees with the verbal amendment suggested by the Alliance Party, that is that the discussion and adoption of the comprehensive agenda should logically take place before the discussion on decommissioning.

In addition due to the fact that we are now breaking in advance of agreeing the agenda for the opening plenary and addressing the discussion on decommissioning and the comprehensive agenda we believe the following order to be logical for the opening plenary on our return in September.

** Opening Statements

** Consideration of comprehensive agenda for negotiations.

- (a) Discussion of comprehensive agenda for negotiations.
- (b) Adoption of comprehensive agenda.

** Consideration of International Body's proposals on decommissioning.

- (a) Discussion of proposals.
- (b) Consideration and agreement of decisions necessary to enable further progress to be made on decommissioning.

** Implementation of the twin track/ parallel process.

- (a) Launch of three-stranded negotiations.
- (b) Establishment of agreed machinery to carry forward work on decommissioning.

** Concluding remarks by Independent Chairman.
