

AGENDA FOR THE RESUMED PLENARY – 29 JULY 1996

The attached sheet is my working copy from the 29 July meeting and it has two amendments pencilled in. I have been unable to locate a more recent copy and I have been unable to confirm if these were approved amendments, nor indeed if there were others. The “DRAFT RECORD OF OPENING PLENARY SESSION - MONDAY 29 JULY 1996 (18.47)” makes no mention of it.
