

Sir Partick Mayhew MP
Secretary of State
Stormont Castle
Belfast

10th June 1996

Dear Secretary of State

You wrote to me on 4th June in my capacity as nominating representative. You made reference to allowances which the 'two' Governments intend to pay to delegates...'

Can you explain what you mean by this phrase?
I see no provision in the Legislation for other than payments from the Exchequer to Delegates.

Yours Sincerely

David Trimble MP
Leader, Ulster Unionist Party.
