## Business Committee: Confirmation of Representatives

References: A. Memo requesting names of representatives for the Business Committee dated 29 July 1996

B. Memo detailing Participation in the Business Committee dated 29 September 1996 (attached)

1. The Meeting of the Plenary Committee of 08 July 1997 raised the possibility that the Business Committee could be activated before the end of this month to consider scheduling for the three-stranded negotiations.
2. Given this possibility, and given that some participants may now wish to make changes in their representation on the Committee, participants are requested to review Reference B and to confirm to the Office of the Independent Chairmen if they wish changes made.
3. Participants are requested to confirm changes before 28 July 1997.

John de Chastelain
