Strand Two: Nature, form and extent of new arrangements.

The Progressive Unionist Party recognises the existence of the Republic of Ireland as a neighbouring country with some common interests.

For the purpose of mutual benefit to both countries, North/South co-operation may be important in areas such as Tourism, Agriculture, Fisheries and Energy.

Any non-executive bodies established from such co-operation must be first ratified by parliaments in Belfast and Dublin respectively.

DEDICATED TO A NON-SECTARIAN, PLURALIST AND EQUITABLE SOCIETY
