

Challenge to UU. Seems reasonable — we stand by —
BUT we cannot be tied to the methodology/tactics or timing
of any other party, whether that be a major party or
a minority party [like Bob McTear's]

We will judge how we play our hand within
whatever constraints ~~we~~ others may seek to place upon
us ~~and~~ by utilizing whatever opportunities may
present themselves —

"Principles of democratic discourse"

'Accepted framework of democracy' — democratic rights
etc book. We will not allow him to, uncontested, resort to the oldest trick in

Mr M'C has made no secret of the fact that
he wants to get out of this process — that is his
prerogative but I have no desire to abandon
any aspect of political dialogue —
~~the political stage~~ (Robert G. M. I may find
the process for the time being) + thereby leave the
S/F - IRA with the prospect of being able to
deal with ALL aspects of political life in N.I
without any constraints upon the 2 Govts.

monopoly on logic, loyalty, dedication, intelligence
timescale on our affairs.
