I attach some self explanatory notes for your proposed telephone call to John Holmes. The punchline is of course the notification that we intend to show the draft legislation to the UUP, but I don't suggest we make a great meal of it.

Mr Hill

Thank you. I spoke to John Holmes this morning on the lines of the attached. He did not wince at the thought of showing the UUP the draft legislation. In fact, he thought this may already have been agreed at an NI meeting.
