INDEPENDENT CHAIRMEN AND STAFF: TERMS AND CONDITIONS - DRAFT GUIDANCE

PUS has seen your minute to Mr Jones of 4 July. On paragraph 7 of your minute, PUS agrees that small claims should be put through to TAU as you propose. On paragraph 9, PUS has commented that if actuals are modest, he has no difficulty in principle as compared to a daily rate. He has added that either will do, subject to the kind of restraint we begin to see.

Signed

ANITA BHARUCHA PRIVATE SECRETARY 7 JULY 1996
