From the Private Secretary

16 July 1996

NORTHERN IRELAND: MARCHES

I enclose a copy of a telegram which the Prime Minister received over the weekend from a group of US Congressmen, urging the re-routing of Friday's march.

I should be grateful if you could arrange for the Embassy to reply to the Congressmen on the Prime Minister's behalf.

I am copying this letter to David Kyle (Northern Ireland Office) and by fax to Peter Westmacott (Washington).

EDWARD OAKDEN

Dominick Chilcott Esq
