

1. When are the Provo's

Coming back with words?

2. Will these encompass

'Consent' in a way that
will reassure him?

1. As of Friday, when they
know contents of British
article

2. The focus is on permanence
the first instance. Consent
is part of the settlement
issue. I wld doubt the
validity of the consent / decom view.

Because republicans work
off a self-determinational
analysis,
+ think it
is valid. It goes
to the heart of
rethinking.
