For immediate release: 7/8/96

Sinn Féin: President Gerry Adams has appealed for "cool heads, calm and restraint in the difficult days ahead".

Mr Adams said:

"There is a responsibility upon everyone in leadership to use their influence to calm the situation at this difficult time.

"There is especially an onus on John Major and Patrick Mayhew and on Unionist leaders.

"On my part I appeal for a disciplined, calm and restrained approach from Republicans and Nationalists."
