QUESTION NO: *14

DÁIL QUESTION addressed to the Taoiseach
by Deputy Mary Harney
for **WRITTEN ANSWER** on Thursday, 25th July, 1996.

QUESTION NO: *14

To ask the Taoiseach if he will report on the response by Sinn Féin to the formal questions put to it by his Department in the wake of the murder of Garda Gerry McCabe.

REPLY.

The position on this matter remains as set out in reply to Dáil Questions on 25 June.

I said on that occasion that the two questions posed to Sinn Féin by the Government on 18 June flow directly from the Mitchell Six Principles and that they are questions which Sinn Féin will have to face once they enter the multi-party talks. That party's participation in those talks is conditional on a restoration of the IRA ceasefire and to that end, the Government are keeping open lines of communication with Sinn Féin.
