NOTE FOR THE RECORD

TALKS: TUESDAY 15 OCTOBER 1996

The Chairmen circulated to the parties last night papers they had received from the UUP and Alliance Party on the consideration of the International Body's proposals on decommissioning.

2. On examining the UUP paper, it would appear to be the paper the Party published earlier on addressing decommissioning and the

Alliance Party's paper is a copy of the evidence it put to the International Body.

#### NOTE FOR THE RECORD

TALES: 14 OCTOBER 1996

A slow start to a day which in the event turned into something of a marathon. Early British objectives were that progress should be made rapidly this week to avoid accusations (already made by Gerry Adams) of a political vacuum. Assuming an early agreement on the agenda for the opening plenary, the address on decommissioning could begin on Tuesday. This plan suffered a setback however when it was discovered that David Trimble was leaving for London in the evening.
