NOTE FOR THE RECORD

TALKS: TUESDAY 15 OCTOBER 1996

The Chairmen circulated to the parties last night papers they had received form the UUP and Alliance Party on the consideration of the International Body's proposals on decommissioning.

2. On examining the UUP paper, it would appear to be the paper the Party published earlier on addressing decomissioning and the

Alliance Party's paper is a copy of the evidence it put to the International Body.

MOTE FOR THE RECORD

TALES. 14 OCTOBED 1985

a slow start to a day which in the event turned into something as marathen. Early Smittsh objectives were that progress should be sade rapidly this week to avoid accusations (siready made by Correlated of a political vacuum. Assuming an early agreement on the agenda for the opening plenary, the address on decommissioning to begin on Tuesday. This plan suffered a setback however with the
