Dear Edward,

NORTHERN IRELAND POLICY AND ITS PRESENTATION

The Home Secretary has seen the Cabinet Office paper on the above (NI(96)7) which was circulated under cover of a letter from Sir Robin Butler dated 29 August. He is content with the new arrangements which are envisaged for covering policy on Northern Ireland and for developing a more pro-active approach on information policy and presentation and would welcome their early introduction.

Yours sincerely,
Ken S.M.

KEN SUTTON
