Dear Jackie Sear,

ROISIN McALISKEY : GETTING THE MESSAGE ACROSS

You wrote on 14 February. I certainly understand your concerns and we shall do all we can to provide accurate, timely information to help keep the record straight.

Last week I spoke to Mr Reed in New York and the latest Q&A material was faxed to Washington.

We shall let you have up to date lines to take by close on 20 February.

May I also accept your invitation to the NISIC meeting on 6 March. I shall confirm nearer the date who will represent the Prison Service if I cannot attend.

Yours sincerely,

Ray Pearson.
