Dear Philip

REQUEST FOR MEETING BY 'BLOODY SUNDAY' FAMILIES

Thank you for your letter of 16 May in which you sought a response to the request for a meeting by the families of some of those killed on 30 January 1972.

My Secretary of State received a similar request and will be writing shortly to the Bloody Sunday Justice Campaign to offer a meeting with the families.

I attach a suitably sympathetic response for your consideration.

Yours ever
David
