From the Private Secretary

16 May 1997

Dear Ken,

DUNLOY: APPRENTICE BOYS OF DERRY

As you know, I agreed to receive a letter from David Tweed earlier today in Northern Ireland. He duly handed it over while the Prime Minister was at the East Antrim Institute of Further and Higher Education. I undertook to ensure the Prime Minister was aware of it, and said that we would reply.

I now attach the letter, and would be grateful for rapid advice so that we can send a reply, presumably from me rather than the Prime Minister.

*Yours
John*
