FAXED

10 DOWNING STREET

Prime Minister

Speaking note for
them attached. His
office should be in
touch about a phone
call tomorrow morning
(Friday). I will be
off for the day also,
but at home - if you
want a word first,
no problem.

If he is
desperate to see you,
you could offer him
next Tuesday afternoon
(3 July). Otherwise
the following week, but
NB Dummer is on 6
July.

John 26/6.
