Dear Ken,

REVIEW OF ELECTORAL ISSUES IN NORTHERN IRELAND

Thank you for John McKervill's letter of 25 July about your intention to announce a review of electoral abuse in recent elections. I have not been able to consult the Prime Minister but I am sure he would be happy for this to go ahead on the basis you propose.

I am copying this letter to Liz Hutchinson (Lord Chancellor's Office), Ken Sutton (Home Office), Michael Lugton (Scottish Office) and June Milligan (Welsh Office).

Yours
John
