From the Private Secretary

22 July 1997

Dear John,

NORTHERN IRELAND FORUM: PARADES

... I attach a copy of a letter to the Prime Minister from Cedric Wilson about
the Forum Standing Committee A's report on parades. The report itself is also
... attached. I would be grateful for advice and a draft reply by Thursday 31 July,
on the assumption that the Prime Minister should reply himself. I do not think
the Prime Minister would want to meet a delegation from the Committee.

You are
