ANNEX A

Possible footnote to UUP/SDLP list of issues for resolution

It was noted that under these headings it would be possible for all participants to raise any specific issues of concern to them, including

- [sovereignty]
- the principle of consent
- demilitarisation
- decommissioning
- prisoners
- equality
- a range of alternative arrangements in each strand
- [the relationship between any new institutions in Northern Ireland and the Westminster Parliament]

- [to refine the list of key issues]
- to explore the scope for moving towards broad agreement on the outline of a settlement
- to make specific proposals regarding the formats in which the detailed negotiations should then be taken forward, and
- to report to the plenary, initially on [19] January 1998.
