Dear Ken,

**LETTER FROM NORTHERN IRELAND FAMILIES AGAINST
TELECOMMUNICATION TRANSMITTERS**

You should be aware of a letter to the Prime Minister from Mrs Patricia McMahon of Northern Ireland Families Against Telecommunication Transmitters which we received earlier in the week (copy enclosed). This mentions a visit by the Prime Minister to Northern Ireland next week, although it makes no mention of specific timings, or locations. I assume you will consider the implications of this (if any).

I am copying this letter and enclosure to Jan Polley (Cabinet Office).

Yours ever,

Philip
