From the Private Secretary

13 December 1997

*Dear Tom,*

I attach a self-explanatory letter to me from Lord Hylton, and the attached fax from Eberhard Spiecker. I have a feeling I have heard of Mr Spiecker before, and that contrary to Lord Hylton's assertions, he is not to be trusted. Perhaps this could be checked out.

I am also copying this to Ken Lindsay in the NIO, in case he has any background or advice to offer.

*Yours  
John*
