From the Private Secretary

11 November 1996

*Dear Ken,*

**DR PAISLEY'S REQUEST FOR A MEETING**

Thank you for your letter of 8 November, recommending that we play long Dr Paisley's request for an urgent meeting with the Prime Minister. Dr Paisley has not in fact returned to the charge with us for a few days. We propose to wait until he does, and then look for a suitable date. Meanwhile the Prime Minister is not writing to Dr Paisley.

*Yours ever*

*John*
