Dear Waheed

Further to our conversation earlier today, I would like to offer the services of my company to televise the forthcoming performance by Elton John in Northern Ireland. As a native of Belfast and as Northern Ireland's leading television entertainment company, we would be very honoured to take part in this venture.

You are obviously well aware of my reputation and standing in British television, but should any background on myself or my company be required please don't hesitate to call.

Yours faithfully

Stephen Stewart  
Managing Director
