10 DOWNING STREET

Prime Minister

This is a preliminary draft programme for your N.I. visit next week, to show you where planning stands. Moira is putting in a separate note about the options for "2 million day". I cannot claim this visit is essential, but I do think it would be a great pity not to make it. It would be much appreciated at a difficult time and would help to counter any suggestion that you may now lose interest in N.I.

John 15/12.
