

Notices: Wednesday 30 July 2025

Please read carefully for details of your day!

- ****The schedule that you received in your welcome pack is missing some information.** Please refer to this timetable instead:
https://www.quillproject.net/resource_collections/418/resource_item/39694 **
- The OxTrad marquee will be erected on Wednesday 30th July (likely 7:30 – 12:00). They have been informed of classes and have said they will do their very best to keep noise levels to a minimum.

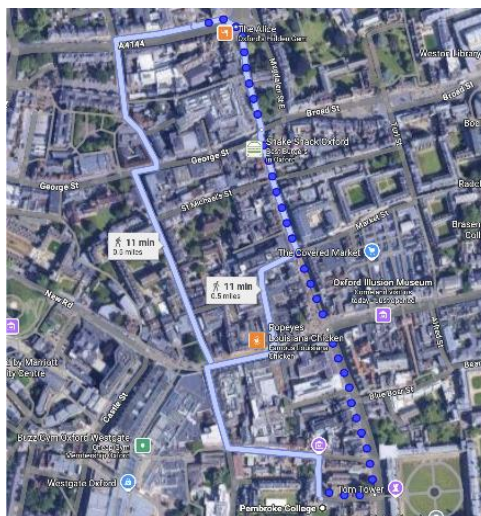

Ashmolean:

- To respect other guests of the Museum, no more than 15 people should attend for each slot of the Ashmolean; this is so we don't overwhelm them with too many people at once. For those who cannot attend today, you will be able to join on Monday 4 August. **Once you have entered, please do not walk around in groups larger than 2-4, and keep noise to a minimum.**
- There are 2 slots to leave Pembroke at:
 - o 15:00
 - o 15:20

Please split your groups evenly between these slots to be **15 people** each! I would suggest the following division:

1. Wednesday 30 July, leaving Pembroke 15:00: **UVU Constitutionalism group**
2. Wednesday 30 July, leaving Pembroke 15:20: **Toledo group**
3. Monday 4 Aug, leaving Pembroke at 15:00pm: **Coastal Carolina**
4. Monday 4 Aug, leaving Pembroke at 15:20pm: **New Jersey**

The Ashmolean does not require booking in advance, and is open 10am-5pm Monday-Sunday, so you are welcome to go independently during any other free time. The directions from Pembroke are shown below:
